DETAILED ACTION

Response to Amendment

Examiner acknowledges the applicant's amendment of claim 17 to include all of the limitations of claim 18 and the cancellation of claim 18.

Allowable Subject Matter

Claims 1-17 and 19-20 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: With regards to independent claim 1 the primary reason for indicating allowable subject matter is that the prior art does not disclose or render obvious a clip pivotally attached to the retention frame at the pair of pivot means, the clip comprising a main body and a handle being pivotally connected to the main body of the clip as in the claimed invention. With regards to independent claim 13 the primary reason for indicating allowable subject matter is that the prior art does not disclose or render obvious that the heat sink assembly having a second pivot means on the main body of the clip for pivotally connecting the handle to the main body at the second pivot means, the handle pivot in a second direction substantially perpendicular to the first direction in order to press on the heat sink, as in the claimed combination. With regards to independent claim 17 the primary reason for indicating allowable subject matter is that the prior art does not disclose or render obvious that the assembly has a pair of clips pivotally mounted to two opposite ends of the retention frame, and said operation portion is pivotally mounted to the main portion about another pivot extending along

another horizontal direction perpendicular to both said horizontal direction and said vertical direction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
